

LITTLE FIRS DAY NURSERY

4. ADMISSIONS POLICY AND PRACTICE

Little Firs aims to make the group accessible to all families from the local community and our information is displayed on the Dorset Family Information Website where all sections of the community can see it. We welcome children, fathers and mothers, other relatives, other carers and people from ethnic, religious and social groups, with and without disabilities. Our Inclusion policy and procedure is widely available and the gender and ethnic background of children joining the nursery is monitored to ensure that no accidental discrimination is taking place. We regularly consult with parents/carers to ensure that opening times are meeting the local need and the group stays current with the changing needs of the community.

At Little Firs we care for 77 children between the ages of 0- 5years in nursery and 5-11 years in Kids Club. The numbers and ages of children admitted to the nursery comply with the legal space requirements set out in the Statutory Framework for the Early Years Foundation Stage 2021. When considering admissions, we are mindful of staff: child ratios and the facilities available at the nursery.

Little Firs uses the following admission criteria, which is applied in the following order of priority:

1. Looked after children.
 2. A child known by the local authority to have special educational needs and/or a disability (SEND) and whose needs can be best met at the preferred nursery.
 3. A vulnerable child with either a Child Protection or a Child in Need Plan, or in receipt of other local authority support.
 4. Children who have siblings who are already with us.
 5. Children whose parents live within the area.
 6. A child requiring a full-time place may have preference over one requiring a part-time place. This is dependent upon work commitments, occupancy and room availability.
- We operate a waiting list and places are offered on an availability basis.

As set out by the Department for Education children who receive Early Years Free entitlement (EYFE) have priority for places and we must keep two places vacant for voucher children, if this is financially viable; in order to accommodate emergency admissions. Parent of children receiving EYFE must complete the relevant declaration forms.

If Little Firs has no places available, parents will be given the opportunity to join the waiting list. When a place becomes available within a suitable age group, parents of a child at the top of the waiting list will be contacted and offered a place.

All funded sessions are now in line with the flexible arrangement as specified by the Government. When you register your child for their funded place, we will discuss your needs and, as far as possible with availability and staffing arrangements, we will accommodate your wishes. We reserve the right to limit and/or have specific funded sessions, according to our business requirements.

We operate an Inclusion and Equality Policy and ensure that all children have access to nursery places and services irrespective of their gender, race, disability, religion or belief or sexual orientation of parents.

To secure your child's place parents are required to pay two weeks fees as a holding deposit. This deposit is only refunded when the required months' notice is received in writing when the parent decides their child will leave the nursery, or it can be used to pay the last months fees. **However, the holding deposit will be kept if a parent fails to keep up with payments or if your child leaves within six months.**

Prior to a child attending nursery, parents must complete and sign a registration booklet which is a contract with Little Firs. This provides the nursery with personal details relating to the child to ensure the children's well-being. For example, name, date of birth, address, emergency contact details, parental responsibilities, dietary requirements, collection arrangements, fees and sessions, contact details for parents, doctor's contact details, health visitor contact details, allergies, parental consent and vaccinations etc.

All children have taster sessions before they start with us to ensure smooth transition.

Little Firs Day Nursery is committed to ensuring privacy and protection of data that we hold. Please see the Data Protection Policy as it explains how we use data and how we will address any concerns or questions raised with us.
