

LITTLE FIRS DAY NURSERY

59. School Collection Policy.

As part of our out of school service we offer a school collection service. To keep children safe and secure during this transition we will abide by the following procedures:

- A full risk assessment is always being carried out by a senior member of staff to assess the risks or hazards which may arise for the children, and identify steps to be taken to remove, minimise and manage those risks and hazards.
- The risk assessment is based on the usual route and an alternative route in case the usual route is inaccessible.
- Written permission is obtained from parents for the school collection.
- The school has a full list of children who are attending the out of school facility together with the staff from the nursery who will be collecting them.
- All staff have photo identification to enable the school to release the children to the correct adults.
- The staff have a register which is completed on collection of the children and again once they have returned to the setting.
- Children are paired up to walk back to the setting.
- Head counts take place periodically during the walk back to the setting, the frequency is decided in the risk assessment.
- We provide appropriate staffing levels for school pick-ups dependent on an assessment of the safety and the individual needs of the children.
- All parent and staff emergency contact numbers will be taken on school pick-ups.
- All staff will be easily recognisable by other members of the group; they will wear the nursery uniform.
- At least one member of staff will hold a valid and current full paediatric first aid certificate and this will be increased where risk assessment of proposed activity deems it necessary.
- A fully stocked first aid box will always be taken along with any special medication or equipment required.
- In the event of an accident, staff will assess the situation. In the event of a serious accident an ambulance will be called to the scene, and parents will be contacted. One member of staff will accompany the child to the hospital, and the rest of the group will return to the nursery.
- The Safeguarding children and child protection policy will be followed at all times including the procedure to follow in the case of a disclosure during the journey to the setting.

Risk Assessment

The full risk assessment is displayed for parents to see before giving consent. The plan includes the following details:

- The name of the designated person in charge
- The estimated time of departure from the setting, arrival at the school at expected arrival back to the nursery
- The number of children, age range, ratio of staff to children, children's individual needs and the group size

- The equipment needed, i.e. first aid kit, mobile phone
- Staff emergency contact numbers
- Method of transportation and travel arrangements (including the route)
- Emergency procedures
- Weather conditions and any alternative arrangements needed, e.g. in snow, hot weather
- The name of the designated first aider and the first aid provision.

Missing Child

In the event of a child going missing, the Missing Child from Outings Procedure will be followed. Any incidents or accidents will be recorded in writing and Ofsted will be contacted and informed of any incidents.

If a child runs off or leaves the main group for any reason a staff member will only follow if the safety of the other children in the group is not compromised. If the staff are unable to follow or catch up with the child, then the police will be called immediately, followed by the child’s emergency contacts. The main nursery will be contacted and asked to assist where possible.

The safety of all children is always paramount.

Ofsted will be contacted and informed of any incidents.

Date of Review:	This Policy was adopted on:	Signed on behalf of the Nursery committee:	Date of Next Review:
August 2024	1st August 2024		August 2025.
